

A Bid For the 76th World Science Fiction Convention

Greetings from [SFSFC, Inc.](#) in sunny [downtown San Jose, California, USA](#), where the people are geeky, and where [we are bidding to host your 2018 Worldcon.](#)

## Dates:

Thursday, 16 August through Monday, 20 August, 2018

## Facilities:

SFSFC has partnered with [Team San Jose](#) to bid the newly-remodeled [San Jose McEnery Convention Center](#) in downtown San Jose. We believe its beautiful new [Grand Ballroom](#) (at 36,000 square feet or 3200 square meters) is an excellent location for masquerade and the Hugo Awards ceremony.

We have contracts with the attached [Marriott San Jose](#) (478 rooms at \$139/night) and [Hilton San Jose](#) (353 rooms at \$149/single/double/night) hotels for those of you who need easy roll-in access to the convention facility, and are negotiating with nearby (400 meters or .2 miles) hotels for additional housing.

## Committee:

Bid Chair: Andrew Trembley
